

TEACHER COMPETITION

WIN A \$50 GIFT CARD!

All Smiles will be providing prizes for teachers in partnered elementary schools this 2024-25 school year. The teacher who collects the most permission forms in their grade at their school will receive a \$50 gift card! Permission forms that have declined dental services will be included in the count.

Winners will receive their gift card at the end of All Smiles's visit. Check your school's main office to find out when All Smiles will be at your school.

Note about the Teacher Competition:

1. **Ties:** If there are two teachers with the same highest number of forms collected for the same teaching grade, then the prize will be split between the two. Each teacher will receive a \$25 gift card.
2. **PreK:** Pre-kindergartener teachers will be excluded from the teacher competition.
3. **Final Day of Competition:** Permission forms will be counted towards the teacher competition until Admin Day. Admin Day is typically the Wednesday before the week of services. Any new permission forms turned in after the Admin Day will not count towards the competition, however, the dental team will still see those students.
